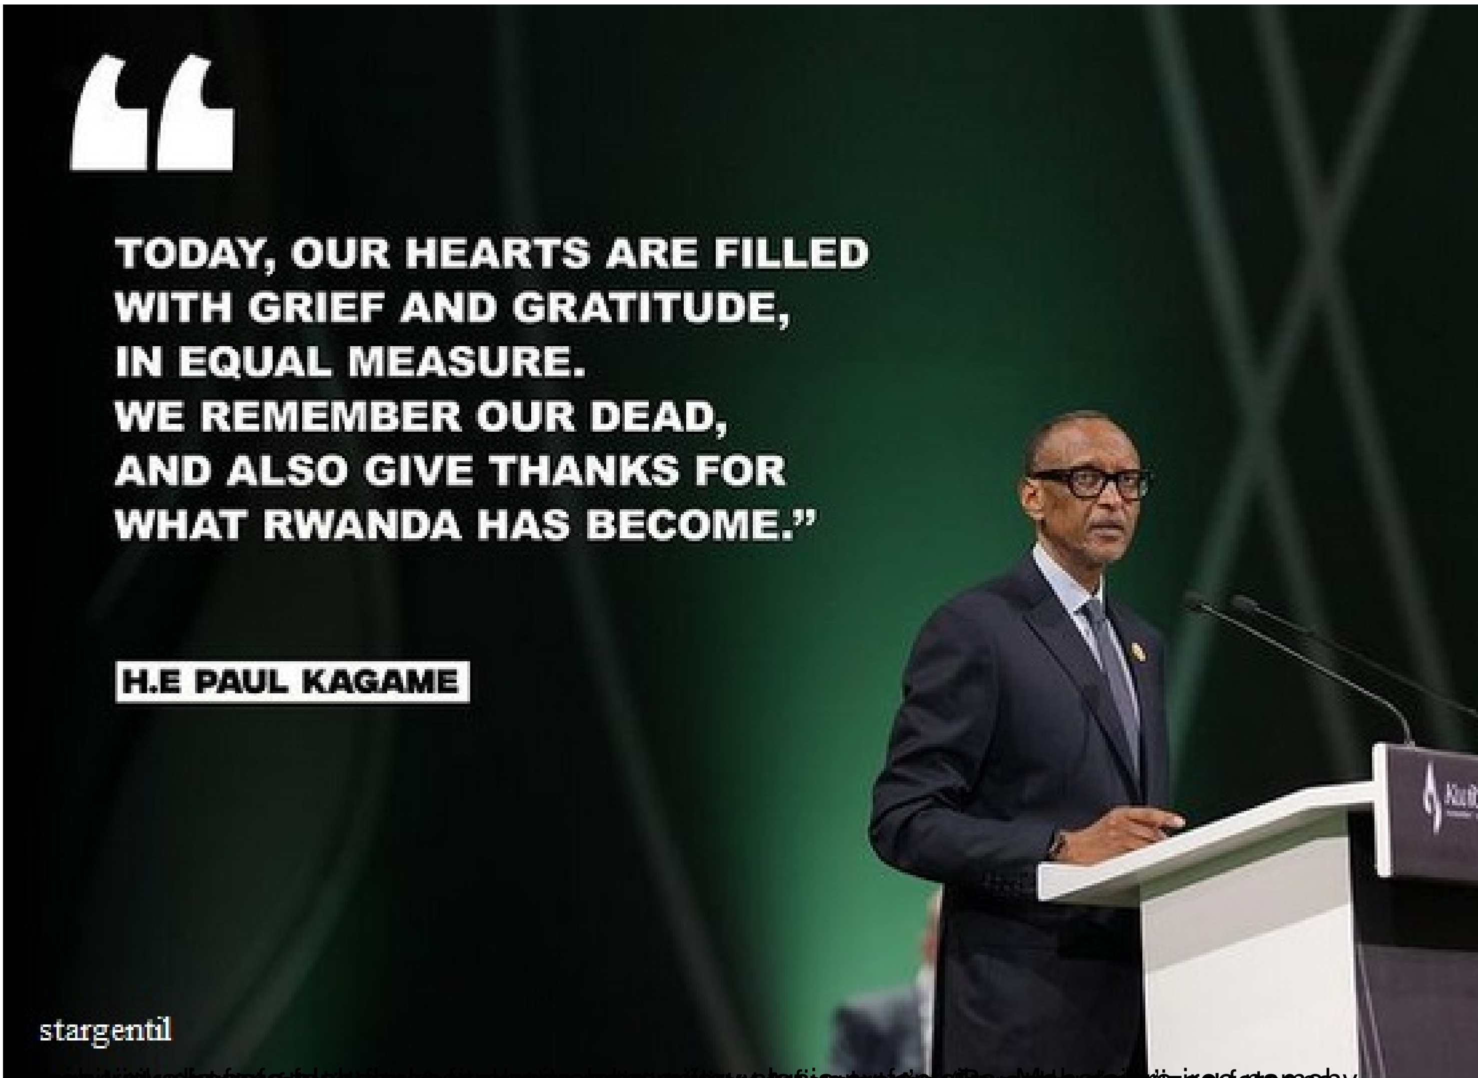
Kigali 07 Avrily 2024. Io daty io dia nanamarika ny fanombohan'ny Kwibuka 30, izay fahatsiarovana ny faha-30 taonan'ny Fandripahana Tutsi, izay nanomboka tamin'ny 07 Avrily 1994. Ny Fahatsiarovana (Kwibuka) io Fandripahana ara-poko tao Kigali.

Ao Kigali -Renivohitr'i Rwanda- sy ny manodidina amin'io fotoana io dia hisy fahatsiarovana maro hatao hanamarihana ny fandripahana sy ny hetsika samihafa izay nitranga nandritra ny herinandro voalohany indrindra. Ny trano fisotroana, klioba ary trano fialamboly ho an'ny daholobe dia mihidy mandritra ny herinandro. Ny fisaonana manerana ny Rwanda kosa dia haharitra 100 andro.

Fa taorian’ny fampirehetana ny lelafo ao amin’ny Kigali Memorial Genocide ao Guisozi nataon’ny Filoha Paul Kagame mivady ary natrehin’ireo vahiny avy ivelany dia nanao kabary tao amin’ny BK Arena, ny Filoha Kagame. Mila fantatry ny Malagasy ny vontoatin’izany kabary izany, izay amin’ny teny anglisy. Iray ihany anefa ny fomba hahatongavana amin’izany. Koa dia nataoko adidy ho an’ny taranaka ny nandika io kabary io iray manontolo amin’ny teny malagasy. Ny tena tanjoko ? Vakio tsara aloha ity kabary ity. Avy eo sokafy ny adihevitra fa tsy hamelabelatra hevitra taingina ho ana tombontsoa manokana. Ndao aloha hamaky izay nolazain’ny Filoha Paul Kagame.

BK ARENA, KIGALI 07 AVRIL 2024
KABARIN'NY FILOHA PAUL KAGAME



“
TODAY, OUR HEARTS ARE FILLED
WITH GRIEF AND GRATITUDE,
IN EQUAL MEASURE.
WE REMEMBER OUR DEAD,
AND ALSO GIVE THANKS FOR
WHAT RWANDA HAS BECOME.”

The foundation of everything is unity. That was the first choice: to believe in the idea of a reunited Rwanda, and live accordingly. The second choice was to reverse the arrow of accountability, which used to point outwards, beyond our borders. Now, we are accountable to each other.
President Kagame

OVER TIME, IN THE MEDIA CONTROLLED BY THE POWERFUL IN THIS WORLD, VICTIMS ARE REBRANDED AS VILLAINS, AND EVEN THIS VERY MOMENT OF COMMEMORATION IS DERIDED AS A MERE POLITICAL TACTIC.
IT IS NOT.
OUR REACTION TO SUCH HYPOCRISY IS PURE DISGUST. WE COMMEMORATE BECAUSE THOSE LIVES MATTERED.
H.E PAUL KAGAME

TODAY, IT IS ALL RWANDANS WHO HAVE
CONQUERED FEAR. NOTHING CAN BE WORSE
THAN WHAT WE HAVE ALREADY EXPERIENCED.
THIS IS A NATION OF 14 MILLION PEOPLE,
WHO ARE READY TO CONFRONT ANY
ATTEMPT TO TAKE US BACKWARDS.
THE RWANDAN STORY SHOWS HOW MUCH
POWER HUMAN BEINGS HAVE WITHIN THEM."
